

# Attention all Residents

The Village of Meacham would like to address the current situation regarding the Covid-19 virus as it relates to our operations.

***Unfortunately, we have made the difficult decision to close our office to the public until further notice.***

Please note that **our operations will continue**, however we will not be taking in-person meetings. We are limiting our contact with residents to phone, fax, and email.

As the situation continues to be monitored closely, we ensure you that we remain dedicated to keeping our Village operating as normal. We understand that this situation is not ideal, but the health and safety of residents and staff members is our highest priority.

**Juaneta will be working from home on Tuesdays and Thursdays from 9:00 – 4:00. The phone will be forwarded to her cell phone. Payments can be made by mail or online banking.**

**Shortly Deb will be collecting readings from your water meters. Please help her out by taking your reading or a picture of your meter and sending it to her cell (306) 369-7771. That would save a lot of time and unnecessary exposure. Any readings that are not received by Tuesday, March 31<sup>st</sup>, will be estimated. Estimates are higher, and adjustments will be made in the next billing period. So PLEASE SEND IN YOUR READINGS!**

Thank you for your cooperation and understanding. If you have any questions, please contact our office by telephone 1-306-376-2003 or via email: [villageofmeacham@baudoux.ca](mailto:villageofmeacham@baudoux.ca)

Stay Safe and stay healthy!

Juaneta Bendig  
CAO
